

## Curved Blade Register – Two Way Left Corner

### DAC2LCM

- Two-way individually adjustable Horiz/Vert curved blades on 1" spacing allows a wider spread of air to be achieved
- Multi-Shutter Damper with handle operator
- Roll-formed aluminum blade installed in an extruded aluminum frame with mechanically locked corners
- Pressure fit nylon pivot pins (rattle free & non-loosening)
- Countersunk screw holes c/w painted mounting screws
- Sealing gasket to prevent streaking of walls or ceiling
- Available on 2" increments as standard
- Custom sizes available, but extra charge may apply
- Max blade length is 22", mullions used for larger sizes
- Durable powder coat painted finish
- Available in White, Silver or Mill

Blades can extend up to 1".  
Do not install where it may cause a safety concern.

-R Recessed and  
-F Fixed blade options  
not available for this model.
