

## How to Specify

### SPECIFY 1. MODEL 2. LENGTH & HEIGHT 3. COLOR

#### 1. Specify the complete MODEL

Note that some models have options that must be specified

- e.g. Mounting Options for Filter Grilles (DARH-FG **B&C**)
- e.g. Blade Type and Mounting Option for Bar Linear (DABL-**00-A**)

See Submittal pages for available options

#### 2. Specify opening size LENGTH X HEIGHT

- Ordering Size is always the opening size (also referred to as list size)
- Grilles are manufactured to fit opening size specified
- Always specify Length first, Height second
- Custom sizes are available on 1/16" increments
- Extra charges will apply to custom sizes or if two piece construction is required
- See Submittal pages for standard sizes of each product

#### 3. Specify the COLOR

- Standard colors are White, Silver, Mill or Brown
- Not all colors are available for all models
- Submittal pages specify the colors available for each model
