

How To Specify

SPECIFY 1) MODEL # 2) WIDTH & HEIGHT 3) COLOR

1. Specify the complete MODEL

- Note that some models have options that must be specified
 - i.e. Mounting Options for Filter Grilles (DARH-FG B&C, not DARH-FG)
 - i.e. Blade Type and Mounting Option for Bar Linear (DABL-00-A not DABL)
- see Submittal pages for clarification

2. Specify opening size WIDTH X HEIGHT

- Order Size is always the opening size (also referred to as list size)
- Always specify Width first, Height second
- Grilles are manufactured to fit opening size specified
- Custom sizes are available – Large, Small or Fractional increments
- Extra charges will apply to custom sizes or when 2 piece construction is required.
 - Minimum dimension is 2".
 - Standard sizes are on 2" increments for most models.
 - Bar Linear models are available on 1/2" increments as standard.
 - Louvers are available on 1" increments as standard.

3. Specify the COLOR

- Standard colors are White, Silver, Mill or Brown.
- Not all colors are available for all models.
- Submittal pages specify the colors available for each model
- Aluminum is not a valid color
